

Stronger Together Movie Night in the Park

In partnership with the University of the District of Columbia (UDC), VNMS is thrilled to offer for the second year in a row, Movie Night in the Park at the UDC Amphitheater. Nestled in the hillside, socially distanced moviegoers will enjoy a five-movie series at no charge this summer. We hope this helps our community enjoy the beautiful outdoor space and hit reset once again on group movie watching after another long winter indoors! Movie dates are set and we will be announcing the showings shortly. Please join us in sponsoring our movie series in these ways:
